COP 24 Press Conference: Powering Action – Clean Energy Solutions for COP 24

The [Business Council for Sustainable Energy \(BCSE\)](#) is hosting a press conference today at the COP 24 UN Climate Change Conference in Katowice, Poland.

WHEN: December 7, 2018, 17:30 – 18:00 CET/ 11:30 – 12:00 ET

WHERE: COP 24: Press Conference Room Katowice, Area F
Or watch via live-webcast or on demand at [UNFCCC website](#).

SPEAKERS: Lisa Jacobson, President, Business Council for Sustainable Energy
Ashley Allen, Climate and Land Senior Manager, Mars, Incorporated
Elizabeth Beardsley, Senior Policy Counsel, U.S. Green Building Council
Tod Delaney, President, First Environment, Inc
John Kadyszewski, Director, American Carbon Registry, an enterprise of Winrock International (ACR)
Laura Van Wie McGrory, Vice President, Strategic Initiatives, Alliance to Save Energy
James Wolf, Consultant, Jupiter Oxygen Corporation

WHY: Speakers will highlight corporate leadership and key industry policy priorities for climate action.

At COP 24, the Council and its members are advocating for governments to deliver a clear and transparent Rulebook at COP 24 that protects the integrity of the Paris Agreement and sets a common framework for action.

Read more about the Council's position and priorities for COP 24 in this brief [Powering Action: Clean Energy Solutions for COP 24](#).

###

The Business Council for Sustainable Energy (BCSE) is a coalition of companies and trade associations from the energy efficiency, natural gas and renewable energy sectors, and includes independent electric power producers, investor-owned utilities, public power and commercial end-users. Established in 1992, the Council advocates for policies that expand the use of commercially-available clean energy technologies, products and services. For more information on the Council, please visit: www.bcse.org and download [Sustainable Energy in America Factbook](#) 2018 edition for the latest industry information.
